OVERVIEW

## 5 INCH WATER RESISTANT MONITOR

The ISS-C-M5 is the latest in mobile CCTV technology.

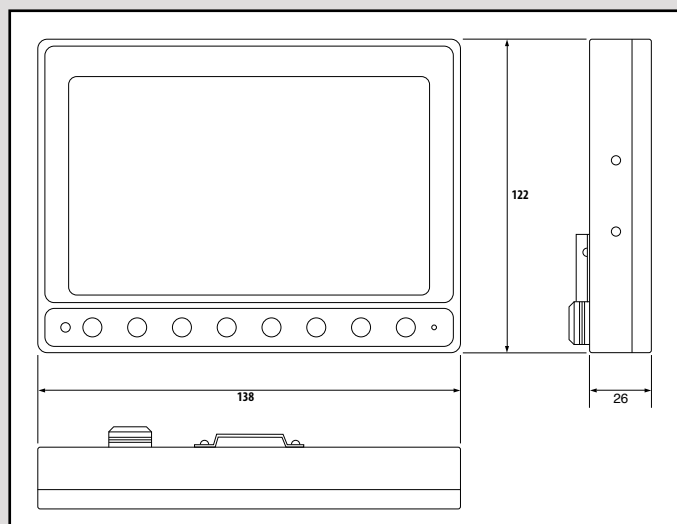

The 5" water resistant monitor has been developed to combat the reliability issues so often encountered with rival products.

By incorporating into the design an aluminum housing, our monitor has been engineered to thrive in the most demanding environments, whilst maintaining the highest standard in image quality.

Demonstrating our confidence in the reliability and ruggedness of the product, a 3 year warranty is available.
